## VOICES PAST & PRESENT

2009 - 2010 Season

“Heavenly voices” *Portland Tribune*  
“A unique sound and blend”  
*Performance Today*

*In Mulieribus* is pleased to present our third annual concert series, “**Voices Past & Present.**” This season will be filled with innovation and musical discovery that will expand our repertoire to include more contemporary and new music. It will be a

season of collaboration with other community musicians as we showcase works with harp, piano and organ.

Join us in December for our annual Christmas concert, **A Rose in Midwinter.** Along with medieval carols and traditional favorites, it will feature a world premiere by the award winning American composer, **Richard Toensing.**

In May, we invite you to celebrate springtime as we join forces with **Douglas Schneider**, distinguished organist at St. Mary’s Cathedral, to present **Salut Printemps**, a concert of vocal and keyboard music by French composers past and present, including Debussy, Poulenc and Messiaen.

From our inception, *IM*’s mission statement has included both an artistic and philanthropic component. A portion of the concert proceeds from each concert will go to help benefit another non-profit organization that serves our community. For the 2009-2010 season, I am honored to announce our partnership with **Sisters of the Road**, an organization that exists to build authentic relationships and cross-class community through our philosophies of nonviolence, gentle personalism and the community organizing model. Sisters works toward systemic solutions that reach the roots of homelessness and poverty to end them forever. [www.sistersoftheroad.org](http://www.sistersoftheroad.org)

As *IM* continues to strive for new artistic heights, I invite you to be a part of our ongoing journey and join us for both performances. I look forward to seeing you there!
