YOUNG SINGER MENTORSHIP PROGRAM

"One of Oregon's premier ensembles at the top of their form."

- Oregon ArtsWatch

Jan-May 2027

Critically acclaimed women's vocal ensemble, In Mulieribus (IM), is seeking motivated young singers to participate in a vocal mentorship program that will culminate in a performance of Vivaldi's *Gloria* with chamber orchestra alongside the IM singers.

Six to eight young adult singers, ages 16-24, will be selected for this rare opportunity to perform this Baroque masterpiece for soprano and alto chorus as the composer originally intended with some of the region's top vocal artists and educators.

Mentorship includes:

- 6 vocal coachings with an IM mentor-singer
- Specialized instruction of Baroque style, ornamentation, diction, and interpretation, designed to complement each singer's work with their own voice teacher.
- Professional experience performing with chamber orchestra and leading regional vocal ensemble
- Zero cost to student
